EMPLOYWELL: FOR INCLUSIVE HIRING

Sunday, 9 Nov' 25 | 8am - 12pm

Why Walk?

Be part of a national movement to empower vulnerable individuals - including the homeless, women in crisis, persons recovering from mental health conditions, seniors and more - to rejoin the workforce.

Your support enables **EmployWell**, an initiative by SBF Foundation, to create pathways to employment and restores dignity through meaningful work.

Through your participation, EmployWell delivers:

- **Employability workshops**
- **Personalised job coaching & matching**
- **Employer engagement for inclusive hiring practices**

Your Impact

With heartfelt gratitude to our programme partners, employers, donors and supporters whose partnership and generosity made EmployWell possible. Together, we've made a meaningful difference:

1,343

individuals received support

828

574

Let's continue to amplify this impact, together.
